

## **Referral Bonus: Refer a colleague and earn a \$500 Visa Gift Card!**

Although the economy has forced more IT professionals to be in the market for employment opportunities, it's still not easy to find the right person at the right time. Therefore, we rely heavily on referrals to make our best hires.

If you refer an individual to Meridian and we hire that person for one of our consulting engagements, you will receive a \$500.00 Visa gift card!

Despite what some people say about the current business climate, Meridian's client list continues to grow. We have urgent and long-term engagements and continue to fill them with the best and brightest IT workers. We have needs locally, regionally and nationally for Project Managers, BSAs, Java developers, .Net developers, Architects and QA analysts.

If you have someone in mind that you can recommend, please let us know!

Send your referral to [recruiter@meridiangroup.com](mailto:recruiter@meridiangroup.com) or contact one of our recruiters at Meridian headquarters:
