

Meridian Technology Group is always looking for great talent. If you send a super-talented candidate our way, you could earn up to \$1,000 in Meridian's referral program.

First Step

Check out our current openings at <https://jobs.meridiangroup.com>

Do you know a super-talented I.T. or Engineering professional who would be a great fit for one of our open positions? If so, then email referral@meridiangroup.com or call (503) 697-1600 (Portland) or (817) 601-4651 (Dallas/Fort Worth) to speak with a representative from Meridian's recruiting department, and we'll put you in touch with one of our technical recruiters who will start the referral process.

Next Steps

Meridian offers a referral bonus of up to \$1,000 to those who refer candidates for employment (excluding executives, sales and/or recruiting members of Meridian).

Eligibility

After the candidate is hired and completes his or her introductory period of 90 days, \$500 of the referral fee will be paid to the referring person; the remaining \$500 will be paid after the candidate/employee completes 180 days of employment. Referral applications must be submitted to Meridian's human resources department on or before the referred candidate/employee's start date. If the referring person is not a Meridian employee member, a W9 must accompany the application.

Procedure

A referral application (and W9, if applicable) must be submitted to Meridian's human resources department for processing on or before the referred candidate/employee's start date.

Exceptions

- All referral bonuses apply to billing positions only.
- Referred candidates/employees must be Meridian's direct hires.
- All candidates referred by Clients are not a part of this program.
